## Chapter 1 by Totally Olive

"This is a story. Of a faraway land, okay not so far away just deal with it. You know what. Screw Happily ever after. I'm done with this. Create whatever you want. Just remember I don't give a shit" I typed on the computer

'Yep Olivia this story is going to be awesome.' I thought to myself. I continued to type  
"Haha just kidding this is a story about a kid like any of you having to write a story for school  
AND HAVING NO IDEA WHAT TO WRITE ABOUT. But anyway let's say this kid lives in a far  
away land called Canada...and he .. and umm . bought a super hero dog named Senpai. And He  
and senpai traveled canada the end" I finished typing

'Wow Olivia this is one dumbass story.' I decide to play a game so i loaded up sims and started to play when the power went out.

"Great just great" I said out loud. Then i heard a crash in the kitchen.

'I better go see what that was' i thought to myself
